Brief Report of the Post Graduate Geography Practical Examination-2026

The Post Graduate Geography (PGGR) Term End (Practical) Examination-Dec., 2024 for Part-I & II conducted by the Department of Geography for the M.Sc. in Geography Programme was completed successfully during 25 February to 14 March, 2026 at the Kalyani R.C., NSOU. About 755 examinees of Part-I and Part-II for the PGGR Paper- 4B, 5A, 5B, 9B, 10A and 10B were prearranged in the examination. Moreover, a total 63 Internal and External Examiners, 11 Invigilators and 12 laboratory attendants, and non-teaching staff and casual staffs, security staffs helped in the examination for its successful completion.

This is to note that the PGGR Practical classes/PCPs of Paper: **4B** (Quantitative Techniques); **5B** (Map interpretation & Field Technique) of Part-I and **9B** (Remote Sensing and GIS), **10A** (Urban Geography Practical), **10B** (Field Report Preparation) of Part-II had been organised and successfully completed at the Kalyani Regional Centre in this academic session. This face-to-face mode of PCPs of the mentioned practical papers of Part-I and Part-II had been organized centrally by the Department at the Kalyani RC of NSOU every year, and the PGGR learners of all the seven PGGR study centres were participated in the programme. After the successful completion of the classes/PCPs of the practical papers each year, the PGGR Term-End Practical Examination of these papers is arranged at the Kalyani RC of NSOU.

Study Centre involved: All the PG Geography Study Centre: Shyamaprasad College (J-07); Raja N. L Khan College (B-03); Sarojini Naidu College (E-06); Haldia Govt. College (H-06); Chandernagore Govt. College (C-05); Kanailal Bhattacharya College (E-09); Ananda Chandra College (F-02).

Venue: RS-GIS Laboratory of Academic Building-I and General Science Classroom and Geography Laboratory in Pentagon Building (Academic Building-II), Kalyani Regional Centre, NSOU.

In-Charge / Coordinator of the PGGR Practical PCP & Examination:

Dr. Biraj Kanti Mondal, Assistant Professor of Geography, School of Sciences, NSOU
